

# SHADOW-BOARD

LOTO DORT, WO ES GEBRAUCHT WIRD.

“ ———  
When work needs to be done on the machine, everything has to happen quickly. LOTO equipment must be available at the place of use.

## COMMON PROBLEMS

- Parts are scattered around drawers.
- Sets are incomplete
- New employees can't find materials

## SOLUTION

**Board with shadow outlines** for locks, tags, locks, blind plugs, and pens.  
Anything missing is immediately noticeable.

## 3 SIMPLE STEPS FOR GREATER SECURITY

1. Define required LOTO equipment
2. Customize the board configuration
3. Assemble and populate the board. We're happy to supply the equipment as well.

## RESULT

Faster access to equipment, greater safety during maintenance, and quick identification of missing equipment.
